Infant Assistant Teacher

Job Description: Infant Assistant Teachers are responsible for providing and maintaining a loving, nurturing, safe, and educational environment for the babies in their care. Caregivers report to their lead teacher as well as the Director and Assistant Director.

Major Responsibilities:

1. Manage the classroom and ensure there is a ratio of 4 babies to 1 teacher.
2. Contribute to the creation of a classroom environment conducive to learning and appropriate to the physical development of the babies.
3. Execute activities that are appropriate to the ages, needs, and skill levels of the babies.
4. Plan activities for the babies that encourage curiosity and exploration appropriate to their age and development.
5. Console babies when they are upset by holding them, singing to them, and making sure their needs are met.
6. Prepare milk or other soft foods provided by the parents for the babies.
7. Attend to the personal hygiene of each baby, ensuring their diapers are changed frequently and their clothes and sheets are changed if they are soiled.
8. Use Brightwheel to ensure that all babies that are in your care have been checked in by their family.
9. Use Brightwheel to record the schedule of the babies and communicate with parents about bringing diapers, wipes, Frida, etc.
10. Maintain accurate and appropriate records for the babies assigned to your room.
